

GSA Awards CRI the Mission Oriented Business Integrated Services (MOBIS) Contract

McLean, VA – May 1, 2007 – Communications Resource, Inc. (CRI), a trusted provider of consulting and security services to federal customers for over 12 years, has been awarded the [MOBIS contract](#). Services provided under MOBIS encompass the provision of expert advice, assistance, guidance or consultation in support of agencies' mission oriented business functions and may include studies, analyses and reports documenting any proposed developmental, consultative or implementation efforts. CRI currently is providing a variety of professional services in supporting customers in their responses to the following mandates.

- Executive Order 13327 (Federal Real Property Asset Management)
- Capital Planning & Investment Control (CPIC) Policy and Procedures
- OMB Circular A-11 (Exhibit 300): Planning, Budgeting, Acquisition and Management of Capital Assets
- OMB Circular A-123: Management Accountability and Control
- National Strategy for Pandemic Influenza
- President's Management Agenda
- Homeland Security Presidential Directives (HSPD)
- Federal Information Security Management Act of 2002 (FISMA)

Victoria Johnson, President of CRI, stated that MOBIS is an ideal addition to CRI's existing list of federal contracts since it allows federal customers to easily obtain CRI services for a wide range of management and business process support to meet their mission needs. CRI already offers several GSA contracts including the [IT Schedule 70](#) for IT solutions support; [Schedule 84](#) for a full range of commercial security products and services and, the ["Streamlined Technology Acquisition Resources for Services \(STARS\)" 8\(a\) contract](#).

MOBIS encompasses the following areas:

- **874-1 Consulting Services** - Services may include providing expert advice, assistance, guidance or counseling in support of agencies' mission oriented business functions.
- **874-2 Facilitation Services** - Includes facilitation and related decision support services for agencies engaged in collaboration efforts, working groups, or integrated product, process, or self-directed teams.
- **874-3 Survey Services** - Services shall provide expert consultation, assistance, and deliverables associated with all aspects of surveying within the context of MOBIS.
- **874-7 Program Integration and Project Management** - Services include management or integration of programs and projects to include, but not limited to: program management, program oversight, project management and program integration of a limited duration.
