

## CRI Celebrates Its 15<sup>th</sup> Anniversary

**McLean, VA – October 16, 2009** – Communications Resource, Inc. (CRI), a trusted provider of innovative mission critical security, technology, and business solutions, is proud to announce its 15th Anniversary.

"I am proud to have reached this important milestone, marking more than 15 years of outstanding support to a variety of commercial and government clients. I truly believe that our success is a reflection of our dedication to always maintaining respect, collaboration, and commitment to each of our customers and our employees. I began with these values and believe they are as valid as they were 15 years ago. My intent is to continue to provide exceptional services and support to the needs of our government and commercial clients," stated Victoria Johnson, CRI's Owner/CEO.

Throughout the years, CRI has received many accolades including:

- Deloitte & Touche Technology Fast 50 and Fast 500 awards
- Washington SmartCEO Future 50 and Smart 100 awards
- Inc. Magazine's 5000 award
- Washington Technology's Top 8(a) lists
- US Department of Agriculture's 2009 Small Business of the Year

CRI's core capabilities include:

- Integrated Electronic Security Systems
- HSPD-12/FIPS 201 and HSPD-20 Products & Support
- Federal Regulation Compliance Support
- Emergency Preparedness, COOP, and Pandemic Flu Planning
- IT Systems Development Life Cycle Support
- Program Management
- Imaging and Document Management Support
- Testing, Training & Exercise Support
- "Going Green" Energy Management Support

CRI, a certified woman-owned small disadvantaged business, provides products and services to federal, state, and local agencies as well as commercial corporations throughout the U.S. CRI has been certified by the General Services Administration as one of a limited number of approved HSPD-12 System Integration Services Providers.
