

CRI Celebrates Its 19th Anniversary

McLean, Va. – May 02, 2013 – CRI, a trusted provider of innovative mission critical security, technology, and business solutions, is proud to announce its 19th Anniversary

“I am proud to have reached this important milestone, marking more than 19 years of outstanding support to a variety of government and commercial clients nationwide. I truly believe that our success is a reflection of our dedication to always maintaining respect, collaboration, and commitment to each of our customers and our employees. I began with these values, and believe they are as valid now as they were 19 years ago. I continually commit to providing exceptional services and support to our clients, while never losing sight of the culture that has been instrumental to our success along the way.”

-Victoria Johnson, President and CEO

Since its founding in 1994, CRI has grown from serving one customer to serving over 17 federal agencies today. Revenue has grown from \$1 million to over \$20 million, and the number of employees has increased from 5 employees to over 100 today. CRI’s capabilities have also expanded from security assessments and language translations to:

- Integrated Electronic Security Systems
- HSPD-12/FIPS 201 Products & Support
- Identity, Credential & Access Management (ICAM)
- Federal Regulation Compliance Support
- Emergency Preparedness, Resiliency Planning
- IT Systems Operations & Maintenance Support
- Security Assessment & Authorization (SA&A)
- Independent Verification & Validation (IV&V)
- Enterprise Architecture, Planning & Oversight
- Program Management
- GIS Applications
- Integrated Project Team (IPT) Facilitation
- Conference Support
- Acquisition Workflow & Facilitation
- Procurement Services
- Fingerprint Technology Integration

CRI now provides products and services to federal, state, and local agencies as well as commercial corporations throughout the U.S. CRI has been certified by the General Services Administration as one of a limited number of approved HSPD-12 System Integration Services Providers. CRI holds several government-wide contracts including:

- GSA IT Schedule 70 (IT)
- GSA Schedule 84 (Commercial security products and services)
- GSA MOBIS Schedule 874 (MOBIS)
- GSA STARS II GWAC Contract
