

## CRI Presented with *SmartCEO* 2013 Washington Future 50 Award

**McLean, VA – January 31, 2013** – SmartCEO magazine has presented CRI with their largest and most highly anticipated award of the year. The SmartCEO 2013 Washington Future 50 award recognizes the 50 fastest-growing companies in the Washington, D.C., area based on a three-year average of employee and revenue growth. These companies represent the future of the region's economy and embody the spirit of leadership and success in their industries.

"CRI is extremely honored to be receiving such an important award, and we value the recognition CRI has received over the last few years. This award could not have been achieved without the hard work of our outstanding employees. Our continued growth and success is a result of their diligence and ability to consistently provide our customers with the very best services."

- *Victoria Johnson, CRI's President/CEO.*

### CRI's Core Capabilities Include:

- Integrated Electronic Security Systems
- HSPD-12/FIPS 201 Products & Support
- Identity, Credential & Access Management (ICAM)
- Federal Regulation Compliance Support
- Emergency Preparedness, Resiliency Planning
- IT Systems Operations & Maintenance Support
- Security Assessment & Authorization (SA&A)
- Independent Verification & Validation (IV&V)
- Enterprise Architecture, Planning & Oversight
- Program Management
- GIS Applications
- Integrated Project Team (IPT) Facilitation
- Conference Support
