

CRI recognized as one of the Top 500 Hispanic Businesses of 2013 by *HispanicBusiness*

McLean, VA – June 25, 2013 – CRI was named one of Hispanic Business Magazine's Top 500 Hispanic Businesses of 2013. The HispanicBusiness 500 list has served as a barometer of the U.S. Hispanic economy for more than two decades.

The Top 500 annual list is an indicator of the health of Hispanic businesses because it includes a number of factors, such as company revenue, number of employees and previous rankings. Since 1994, CRI has been a successful provider of systems and solutions on a variety of contracts supporting more than 20 federal agencies. This listing comes on the heels of CRI's 19th anniversary.

"It is an honor to be recognized by HispanicBusiness for this esteemed award. We strive to continuously bring innovative solutions to agencies and our dedicated employees have consistently raised the bar over the years. We are very proud to have attained our continued success during demanding economic times".
- Victoria Johnson, CRI's President/CEO

CRI's Core Capabilities Include:

- Integrated Electronic Security Systems
- HSPD-12/FIPS 201 Products & Support
- Identity, Credential & Access Management (ICAM)
