

CRI Presented with *SmartCEO* 2014 Washington Future 50 Award

McLean, VA – September 16, 2013 – SmartCEO awarded CRI the 2014 Washington Future 50 award which recognizes the 50 fastest-growing companies in the Washington, D.C., area. This award is based on a three-year average of employee and revenue growth. These companies represent the future of the region’s economy and embody the spirit of leadership and success in their industries.

“Once again CRI’s employees have been instrumental in our continued success as reflected by this prestigious award. We continue to succeed by listening closely to our customers and responding with innovative solutions and exceptional performance. This award reflects the diligence and close professional relationships that all of our employees maintain with our clients.

- *Victoria Johnson, CRI’s President/CEO*

“The Future 50 program is about celebrating growth, which cannot be done without the help and support of others. Whether it is a parent, business partner, or previous employer, we see the value and impact these individuals have and feel privileged to be part of the celebration of how far these CEOs and their companies have come.”

- *Craig Burris, SmartCEO Magazine President and Co-founder*
