

## **CRI Scores on The Washington Business Journal's 2016 Top 30 Small Technology Companies List**

**McLean, Virginia – August 2016 – Communications Resource, Inc. (CRI)**, a full-service technology leader, has earned a ranking in the 2016 Washington Business Journal Book of Lists – Top 30 Small Technology Companies.

CRI has over two decades of experience in the design and development of mission-critical technology systems requiring compliance with various federal guidance and regulations including NIST, FISMA, FIPS, OMB and DHS. CRI integrates lifecycle best practices with innovative approaches to ensure success in areas such as the incorporation of information assurance requirements, geospatial solutions, and cybersecurity techniques.

Victoria Johnson, CRI President and CEO, states, *"It's an honor to be listed as one of the top small technology companies in the metro area. CRI's expertise in developing innovative solutions for our clients for over two decades makes us an effective choice in the federal space."*
